The test results confirm that the tested sample of product fulfill the requirements of harmonized standards against LVD Directive 2006/95/EC and CMC Directive 2004/108/EC and ErP Directive 2009/125/EC. In case the rest of the appropriate requirements of Directives are fulfilled, especially after establishing the technical documentation file as well issuing the EC Declaration of Conformity, the manufacturer or his EU representative can affix the CE marking to product identical with tested sample, on his own responsibility

Rezultatele testelor confirma ca proba testata de produs indeplineste cerintele standardelor armonizate din Directiva LVD 2006/95/CE , Directiva CMC 2004/108/EC si Directiva ErP 2009/125/EC . In cazul in care cerintele corespunzatoare ale directivelor sunt indeplinite, mai ales dupa stabilirea dosarului cu documentatie tehnica si emiterea Declaratia de Conformitate CE, producatorul sau reprezentantul sau UE poate sa aplice marcajul CE pe produs, pe propria raspundere.
